

From the East

Brethren,

Another year is about to come to a close. With the New Year comes saying goodbye to all that we've achieved during the current year, and the excitement of what will come of the new one.

Over that last year we've had some real exciting happenings in Ancient York Lodge. We started early in the year (really December) with welcoming Bro. Trae England into our Lodge. Not shortly after, Bro. Lucas McDowell and Bro. Andrew Simons were entered in as our newest Entered Apprentices. The new energy and excitement they brought was infectious.

We followed that up this fall with our visitation, jointly with the Brothers from Rising Sun Lodge. While a normal visitation would have been on the docket, what made this one special was the recognition of our one and only Michael Henry. As I stated in my November Message, this was a great honor, one that the Brothers from both Lodges were very eager and happy to see bestowed upon Wor. Henry.

During our December stated meeting, we'll be having our annual election of Officers for the Lodge. This is an opportunity for the Lodge to have their voice heard and help set the direction of the Lodge.

I will be seeking your support as I look to continue serving this Lodge as your Master.

Brethren, it has been a great honor and privilege to be sitting in the East on your behalf. Seeing all of you come into Lodge and enjoy our time together as truly made this a worth while time in my life. I have been truly blessed, and I hope I can continue to serve you all well for another year.

Fraternally Yours,
Peter N. LaFauci
Worshipful Master

"If you want your work to be Square, don't cut corners."

As we get ready for our Lodge Elections again, I want to discuss the aspects of man they represent (borrowed from "Esoteric Handbook for the Entered Apprentice Mason" by Robert V Lund):

As the Junior Deacon carries messages, he represents the link between the Psyche and Mind.

The Senior Deacon, as he carries orders, links the Spirit with the Psyche.

The Junior Warden, with the Plumb of Rectitude, represents uprightness and the body.

The Senior Warden and his Level represent equality and fairness as well as the Ego. And not the least of all, is The Master. He wields the Square of Virtue, a symbol that is the source of Light, representing the spirit of the lodge. He tests the square-ness of the work of the Brethren.

The Officers work hard through the year. It's more than just having meals ready and opening the Lodge on time for meetings. There are numerous discussions about matter of business, seeing that the EAs are working diligently, that we meet requirements set upon us by Grand Lodge, connecting with other Lodges and Brothers regularly, seeing that communications are made to everyone, and so much more! Even when the Lodge goes Dark for the Summer, they continue to work for the quarry fields are rarely quiet. If you don't see the work they are doing, that means they're doing it right.

So as we vote, think about who will best fulfill the duties of the Lodge. And if you want to be more involved in the future of Ancient York, reach out and put your apron on.
